Subject: Approval for API Usage by Woah Finally LLC

Dear Apple Developer Review Team,

The City and County of San Francisco 311 confirms that Woah Finally LLC has received approval to use the Open311 API in its mobile application, Solve SF.

This approval allows Woah Finally LLC to access and utilize the 311 API to provide public information and services as intended by the API's design. This partnership ensures compliance with all relevant policies and guidelines governing the usage of City resources.

If additional verification is required, you can contact me at [carson.chin@sfgov.org](mailto:carson.chin@sfgov.org) or 415-226-9232.

Sincerely,
